

**DYSKERATOSIS CONGENITA OUTREACH, INC.**  
Fundraising Application

**A little about us:**

Our mission is to provide information and support services to families worldwide affected by Dyskeratosis Congenita and Telomere Biology Disorders, to encourage the medical community's research in finding causes and effective treatments, and to facilitate improved diagnosis by educating medical providers. We are a 501(c)(3) organizations, so any contributions you make to DCO are tax deductible.

**A little about you:**

You're ready to hit the ground running (or biking or swimming) to help raise funds for Dyskeratosis Congenita Outreach, Inc. by joining #teamtelomere! Your participation in any race while wearing our logo helps let people know who we are and the money raised helps keep us going.

**How this works:**

You join #teamtelomere and pledge to raise a minimum of \$200 for Dyskeratosis Congenita Outreach, Inc. and we'll hook you up with a great race shirt and reimburse your race fee (total value not to exceed \$100). Just hang on to your race entry confirmation, raise some money, and we'll virtual high five you at the finish line.

**Finally:**

We are so grateful for your support and efforts to help us continue to fulfill our mission!
